Dear Mr. Thomas:

The management and engineering departments of The Henderson Radio Corporation, WHNC, wishes to acknowledge and thank you for your report of our reception in your area.

The reports we have received have been most gratifying and helpful. To say that we appreciate your time and courtesy in listening and writing to us is a vast understatement. We wish that we could meet you personally to extend our "thanks".

If at any time you are traveling in our vicinity, please feel free to stop in and visit with us. The welcome mat will always be out for you.

We have things running smoothly at this point and are looking forward to a very pleasant operational schedule. Once again please accept the gratitude of the entire WHNC "gang" for your interest in our new station.

Sincerely yours,
