Dear Mr. Thomas:

This will acknowledge your report on reception of our station September 7th, between 7:00 and 8:00 a.m.

We certainly do appreciate your sending us this report and we are glad that our general reception is good through your section. We should like very much for you to continue sending us these reports as they give us a very good idea as to our coverage and reception in sections outside of our primary coverage.

Thanking you for your interest, we are,

Sincerely yours,

Roland B. Potter,
