P. O. BOX 2389

Asheville, N. C.

November 23, 1948

Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

This is to verify your reception report of November 10, 1948 from 5:00 to 5:30 A.M. E.S.T. on WLOS Asheville, North Carolina. Upon checking our logs we find your report correct. We are pleased to know that our signal was received S-5 in your car.

WLOS and WLOS-FM studios are located in the Battery Park Hotel Asheville, North Carolina. Our transmitter site is located approximately 2 miles North West of Asheville at Emma, North Carolina. We have 5000 watts daytime, 1000 watts after sun down utilizing a four tower directional array. WLOS-FM is on 104.3 Megacycles with 9200 watts. Our equipment is RCA throughout.

Our entire Engineering staff wishes you many years of successful DX'ing.

Very truly yours,

A handwritten signature in cursive script that reads "W.M. Chambers".

W.M. Chambers Chief Eng.
