Dear Mr. Thomas:

This is to confirm your reception of our signal on 2-26-51
at 5:05-5:30 A M.

Yes, we have a big time on the freq check each month. The whole idea is that I hate to get up at that ungodly hour -- So I take it our on the checker. He usually writes a note to me when he sends in his report on frequency deviation. In his latest note he was 'drooling all over his broken down equipment' from my discussion of Southern Ham.

We're on every fourth monday - 5:00-5:30. Have a listen for us again. Tnx for ur report & 73's O M
