Radio Station WUMS

Dear Mr. Thomas:

Thank you for your reception report of WSIC-FM.

We take pleasure in verifying your reception; the time and program is correct.

I'm sorry all listeners have not availed themselves of the superior reception and quality of FM. Since they have not, more and more of them are leaving the air. We do not contemplate cancelling our FM soon, even though it is an extra expense to operate.

Cordially yours,

T. K. Abernethy, C. E.
