

# WSJS

*In Winston-Salem,  
North Carolina*

---

This is to verify your report of reception of our station  
on September 16, 1944

Hope you'll find the opportunity to drop in and see us in  
person sometime. You'll find Winston-Salem chock-full  
of that famous "southern hospitality".

**Phil F. Hedrick**

~~Technical Director~~
