Dear Mr. Thomas,

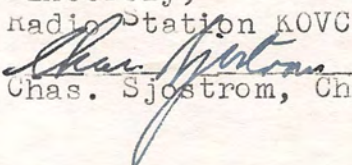

This confirms your DX report of March 1st 1950.

Thank you very much for the report and remarks. We are on the first Wednesday at 3:30 to 4:00 am (cst) regularly and hope you will give us a try on future programs. This will probably be hitting your daylight hours before too long though.

Much obliged for your card.

Sincerely,

Radio Station KOVC
