Dear Mr. Thomas:

This verifies your report of reception of KSJB on December 8, 1942 from
1:15 to 2:03 AM CWT.

Thank you very much for your report. We are not a new station. We used to
be KRMC but changed call letters when we changed frequency last June.
We do not have many reports from the East any more, presumably due to WCAO.
Many thanks for your fine report.

Yours very truly,

Lloyd R. Amoo
