

KBRL

The McCook Broadcasting Co.
1450 KC *McCook, Nebraska* PHONE 1450

February 26, 1952

Mr. David F. Thomas
Proctorville,
Ohio

Dear Mr. Thomas:

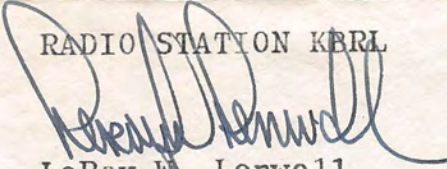

Received your card telling of your good reception of KBRL during the period, 2:30-4:00 A.M., Central Standard Time. According to our log, you have correctly identified the various musical selections and the times in which they were played, so you can consider this letter as a verification of your reception of Radio Station KBRL.

KBRL is very happy to have been asked by the National Radio Club to participate with this D-X program. Present plans are for KBRL to be on at the same time, Monday morning, March 17, 1952, and would appreciate your listening to us. Any comment relative to improvement in conditions on the reception of the signal would certainly be appreciated.

Thank you very much for the effort that you have taken. I
am

Very truly yours,

RADIO STATION KBRL

LeRoy W. Lenwell,
General Manager
