February 5, 1959

Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

Thank you very much for your accurate report of reception of KFNF during the special program we transmitted during the morning of February 2, 1959. Your letter was most welcome.

It is indeed a pleasure to welcome back one of the original listeners to KFNF, and your mention of having a letter from Mr. Field in 1924 verifying reception then is remarkable.

Although not now owned by the Henry Field Seed Company now, KFNF still enjoys a very close relationship with this fine organization. I had the pleasure of knowing and working with the late Henry Field for many years, having started in this business in 1934 here at KFNF.

Thank you again for your very nice letter.

Yours truly,
F.F. Cherny
F.F. Cherny
Chief Engineer, KFNF
