David F. Thomas
Radio W U M S
Proctorville, Ohio
U.S.A.

Dear Mr. Thomas:-

Well, we were certainly on! So that one of the three signal you heard could quite possibly have been CFCB. WMCA however, was too close to everyone Stateside for our 1000 Watts to penetrate their signal with any power.

Thanks for writing though -perhaps next year we'll receive a much more favorable report from Proctorville, Ohio.

Yours truly,

Laurence G. Bourne
