Dear Mr. Thomas:

Thank you very much for your recent letter reporting reception of WKXL from Concord, Massachusetts, to Conway, New Hampshire.

A check of our log confirms your report, and naturally it pleases us to have such interest shown.

Incidentally, we used your comment on the closing of the State House on our local 12:30 Newscast, and I also wrote a letter to the Governor of the State in which I brought it to his attention.

We are very happy to get comments such as that because those of us who live here year in and year out sometimes forget the niceties as far as our guests are concerned.

Once again, thank you for your interest and your report.....and a cordial invitation to stop in and see us at any time in the future that you happen to be up this way.

Cordially,

  
Thomas S. Pingree
