Dear Mr. Thomas:

We are very much obliged to you for your report on WMOU's listening in various locations, and wish to thank you exceedingly for your information.

To be sure, our pattern is a rather irregular one, but we are taking very definite steps to remedy this, and I will be interested in your opinion in the near future when you once again have a chance to check us.

Glad you enjoyed the mountains, and thanks again. Next time, drop in.

Cordially yours,

Charles S. Holbrook  
President
