Dear Mr. Thomas:-

This will acknowledge your reception of WNJR, Radio Station of the Newark News, on November 19th, 1947, at 11:30 p.m.

Your description of the program which was broadcast at that time corresponds exactly with that which appears on our log.

We certainly appreciate your sending us your report of our broadcast and I would like very much to send you verification on some sort of a standard card, however, as you know, WNJR did not go on the air until November 19th, and we are not yet caught up on our printing. However, I will keep your letter on file until such time as we are able to acknowledge it on a standard form.

Very truly yours,

  
James R. Ryall
