Mr. David F. Thomas,  
Proctorville,  
Ohio.

Dear Mr., Thomas;

Thank you very much for your report on reception of the signals of WPAT.

We have checked your report against our Master Log and find it correct in all detail.

Having no form for verification of reception, I trust this letter will serve the purpose.

I am sorry to hear that you and NNRC members were not successfull in your program with YNW, but perhaps another program can be arranged at another time.

With kindest personal regards, and best DX,

Very truly yours,

Earl F. Lucas,  
Chief Engineer.
