Mr. David F. Thomas
Longwave Listening Post
Radio W. U. M. S.
Proctorville, Ohio

Dear Mr. Thomas:

This will serve to verify your reception of our signal, during the time indicated in your report.

Thank you very much for your analysis of our signal. In response to your inquiry, it is difficult to arrive at a ratio of AM-FM listening. As for automotive FM listening, we have had very few reports.

Very truly yours,

William Calvert
Vice President
