Dear D-X'er:

On February 11th, 1946, Station WPAT was privileged in being able to cooperate with the National Radio Club in presenting a D-X program from 4:00 to 5:00 A. M., Eastern Standard Time.

During the course of this broadcast, we offered a small token in expression of our friendship to the ten fans furthest removed from Paterson who wrote in requesting verification of our program. We are enclosing a 1946 calendar with the hope that each time you glance toward it you will think of your friends at WPAT in Paterson, "The Silk City of America."

Sincerely,

A handwritten signature in cursive script that reads "Ted Webbe". The signature is written in dark ink and is positioned above the typed name and title.

Ted Webbe,
Program Director.
