Dear Friend:

Through the courtesy of the Director, we learn that you are interested in the broadcasts of our recently enlarged Radio Station C.H.N.S. Doubtless you will therefore be glad to learn something more about our City.

The biggest news that we have to send you concerns Nova Scotia's Deep Sea Rodeo and Aquatic Carnival - which is to be held here in Halifax from July 15th to July 20th, 1935. Full information regarding this big event appears in the enclosed miniature newspaper "The Halifax Holiday Times".

But filled with interest as it will be, the week of our Deep Sea Rodeo and Aquatic Carnival is not the only time to come to Nova Scotia, for anytime from June to October is holiday time in Nova Scotia, and Halifax, the Capital City, is headquarters for starting your tours through the Province.

Our new booklet, "7 Days in Halifax", will help you plan your vacation here this Summer. We will be glad to send you a copy, should you write us that you want one.

Yours sincerely,

Edward S. Dixon
