December 8, 1947

Mr. David F. Thomas  
Proctorville, Ohio

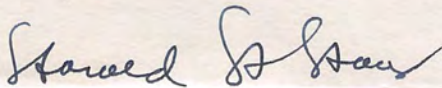

Dear Mr. Thomas:

Thank you for your reception report. We were glad to know that you were able to hear this dedication program. The local atmospheric conditions prevailing at this time were: temperature ... 60 degrees, and a relative humidity ... 66 percent. Your program report has been verified with our program log. Consequently, this, in addition to being a letter of thanks, is also a letter of verification.

We hope you enjoyed listening to our program as much as we enjoyed putting it on for the members of the Newark News Radio Club and the National Radio Club of Buffalo. In behalf of the entire staff, we thank you.

Sincerely,

NEVADA BROADCASTING COMPANY

Harold H. Haas  
Chief Engineer
