Mr. David F. Thomas

Proctorville, Ohio

Dear Mr. Thomas:

It is with a great deal of pleasure that we acknowledge receipt of your mail confirming reception of KOLO in your locality.

The January 15, 1951 broadcast which you report hearing was put on in cooperation with the Newark News Radio Club, and at their request. KOLO was indeed pleased to receive numerous letters and cards from various sections of the country, particularly from the mid-west and east, in response to this 12:15/A. (PST) half-hour broadcast.

I trust that this letter will serve your purpose, inasmuch as we do not have any KOLO QSL cards.

Thanks much for your report.

Very 73,

Merle B. Peterson
