Dear Mr. Thomas,

Received your letter requesting confirmation of KPTL being on 1400 k.c. in July, 1959.

Sorry to say that we have been through three different owners and a variety of managers and engineers since that time, and all records that might confirm are no longer here.

I would suggest that you write to Mr. Ted Webster, 805 W. Sunset, here in Carson. He was the chief engineer here for a long time, and perhaps can help you out.

Sincerely,

  
JERRY STEGALL,  
Gen. Manager
