WCAD

UNDER THE SUPERVISION OF  
DEPARTMENT OF PHYSICS  
St. Lawrence University

Dec 23/31

Mr. David F. Thomas,  
Proctorville, Ohio.

Dear Sir:-

I am more than pleased to verify your reception of WCAD on the morning of Dec 20/31. Your report agrees with my log.

Your letter interested me very much and am glad my reply card of 1924 started you out on so interesting a hobby.

Yes, I am still on duty at WCAD - have been here now for 8 years. I announced the program you listened to Sunday. If you could have stuck it out till 7 you would have heard me sign off. Had you hear my 8 year old daughter, Betty give a reading at 6:26?

we are on ~~no~~ daytime only  
now so am afraid you  
cant hear us often. I put  
this special program on for  
the new and old club as a  
courtesy.

Glad to have heard from  
you again. Best luck to you.

Respectfully,

~~H~~ Bergman
