Mr. David F. Thomas,  
Proctorville, Ohio.

Dear Mr. Thomas :-

We thank you for your card advising of the reception of our station on the morning of Oct. 11th.

You were not quite correct in the matter of call letters, as our new call letters are WESG, which have been assigned by the Radio Commission in place of WEAI. The transmitter is unchanged.

We are therefore very glad to verify your reception.

Very truly yours,

*Wm C Ballard Jr*
