Hi Dave,

Received your very complete report of our show and we sure were glad to learn that our signal was so terrific, out in Ohio. Nice to know that you have been in this area, and recall some of the places of interest. We already have been fortunate enough to reach the West Coast, but haven't heard from New Zealand as of yet. We are enclosing a coverage map of WLNA, and a QSL card, which along with this letter will confirm your report. Hoping you have many more hours of that rare DX in the future, we are

Very friendly yours,
