Dear Mr. Thomas:

This is a verification to your "coverage reception report" of WMSA for August 30th, 1949. Your data was accurate on transmitted material.

Sorry to have delayed so long in answering your report. I have been away for quite some time and it took time to catch up on some of my back correspondence. Your report was interesting and revealing. Its swell to get such reports to add to the files of WMSA.

Hope I can be of service to you some day.

Yours very truly,

Michael Tarkulich
Chief Engineer
