Mr. David F. Thomas,  
Internation Radio Champion,  
Proctorville, Ohio.

Dear Mr. Thomas:

This is your verification of your report of our DX broadcast of April 26th, picked up by you at 4:15 A. M. E.S.T. The information you gave us checks with our station log for April 26th.

We wish to congratulate you on your record of being international champion, that is quite a distinction, Mr. Thomas. As to WOCL's record, we have been heard on the west coast of California. We do not have any report of being reached at a greater distance but believe this is pretty good for twenty-five watts.

Thanking you for your report and hoping you will hear us again, we remain

Cordially yours,

STATION W O C L
