Dear Mr. Thomas:

This will verify your reception of Station WOLF on July 4th from 12:30 to 2:00 EDST AM, on a car radio in downtown Quebec City, Canada.

We were particularly interested in your report since we receive very few automobile reports.

As far as I know at the present time, there were no tests run on the effect of the Eclipse in this area.

Sincerely,

CIVIC BROADCASTING CORPORATION
