Dear Sir:

Thank you very much for the report of your reception of our Special DX transmission at 3:30 Feb 10, '58. Your description of our programming was 100% correct, so this confirms your report. I'm glad to know that we're getting into your part of the country so well, despite the interference.

Hope to here from you again when we run another test. Once again, many thanks.

Yours truly,
