Mr. David F. Thomas,  
26th Street Ferry Co.,  
Proctorville, Ohio.

Dear Sir:

Many thanks for your comments on our program of March 10th. Your proof of reception was O.K. and we hope you will listen in again. Our next DX program will be given on March 24th from 12.01 A.M. to 3.00 A.M. Eastern Standard Time.

W.S.V.S. operates on a frequency of 1370 K.C. and uses a power of 50 Watts.

Very truly yours,

David Warnhoff,  
Station W.S.V.S., Seneca Vocational High School.
