Dear Mr. Thomas: -

We have received your card of May 4th and regret that we were unable to answer it sooner. Your reception of our test program has been checked and found correct.

We have test programs periodically, but unfortunately we have no specific hours for them. Station WSYR broadcasts daily from 7:30 A.M. until 3:00 P.M. and from 4:00 P.M. until 11:30 P.M. On Sundays, from 11:00 until 10: P.M.

Stations WSYR and WMAC recently consolidated, but those call letters have been given to the Syracuse University station which operates in conjunction with Station WSYR.

We greatly appreciate your comments concerning our programs. Won't you write again?

Very truly yours,
Broadcasting Station WSYR
