Dear Mr. Thomas:

Thank you for the report, it was a pleasure to run a test transmission for you DX'ers.

Your report checks with our station logs and may this letter serve to verify the fact that you listened to the WWHG test transmission on the morning of Dec. 26, 1949.

I have received many nice reports from DX'ers including a few from the west coast and one from New Zealand.

Thanks again for the reports and best wishes for your DX score board.

Yours truly,

W. N. Amidon
