WATG

OWNED AND OPERATED BY THE PUBLISHERS OF THE ASHLAND TIMES-GAZETTE

ASHLAND-OHIO  
November 29, 1951

Mr. David F. Thomas  
Proctorville, Ohio

Dear Sir:

This is verification of your report, regarding reception of our signal. This signal being in the form of a special "DX" Broadcast which originated between 4:00 and 5:00 AM, November 26, 1951.

Your report compares with our log and is correct as stated.

WATG is located 3 miles Southwest of Ashland, Ohio, on Route 42. Transmitting equipment is RCA throughout. The WATG tower is 285' in height and the base is situated 1,200' above sea level. WATG-FM, 10,200 Watts is associated and duplicates the WATG programs.

Visitors are always welcomed at the Station.

Mr. Beer, Manager and myself thank you for your interest and information.

Very truly yours,

*Richard Matthes*
