

THE W·G·A·R BROADCASTING COMPANY, INC.

STATLER HOTEL
CLEVELAND

Dear Listener:

Thank you very much for your letter of recent date. We are pleased to have comments from our listeners, at all times, since we feel it is you we are endeavoring to please.

So many letters have come to us that it is impossible just at present to answer everyone personally and as a consequence, this acknowledgment will have to suffice for the present.

Station WGAR will operate daily from early morning until late at night - our operating schedule being sixteen to nineteen hours daily. Our frequency is 1450 kilocycles and our power is 1000 watts daytime, and 500 watts nighttime.

Our new studios and offices are located on the fourteenth floor of the Hotel Statler, and we wish you to consider this as a personal invitation to visit us any time, so that we can get better acquainted.

We hope that you will find many pleasant hours of enjoyment thru your radio set tuned in to WGAR, and we hope that you will make comments, by mail, from time to time, since that is the only way our artists and sponsors have of knowing what you think of their efforts to entertain you.

With best wishes for a Happy New Year, and hoping to hear from you again, we are,

Yours very truly,

THE WGAR BROADCASTING CO. INC.

John F. Patt
John F. Patt,
Vice-President.
