Dear Mr Thomas:-

Yours of the 16th received.

Glad to hear from you and to know that you arrived home all O.K. We got back to Batavia all O.K. No rain here. In fact we had but very little rain after leaving Cemetery. We are broadcasting Community Service this evening. The singers you referred to in connection with the services were not the ladies who sang at funeral, although they do sing for us occasionally over W. N. B. W. I have been broadcasting since early in March and think that I will lay off for a while, take a little vacation and get ready for our conference which meets at Germantown O. on Aug 19th. I hardly think that I will be back on air until Sept. but I am glad to hear from you anytime, and in case you have an occasion to come this way, stop and see me. Hoping this finds you well and happy.

I am, Most sincerely yours - Lewis G. Ludwick.
