GALLIPOLIS, OHIO

Mr David F Thomas
Proctorville, Ohio

Dear Mr Thomas:

This will acknowledge receipt of your report of reception of this station on November 1st, and will serve as confirmation of the reception.

We are very glad to receive reports such as yours, since we get a much more accurate picture of our coverage by precise reports such as yours than by a general statement such as "sometimes we don't hear you so good," which is the usual report, or type of report, rather, that the average listener gives us.

In answer to your question about WATH, we are entirely separate outfits.

In case you would care to drop out here the next time you pass through Gallipolis, we are on state route #141, about a half mile from the junction of 141 with 7.

Yours very truly,
