Mr. David F. Thomas
 Longwave Listening Post
 Radio W.U.M.S.
 Proctorville, Ohio

Dear Sir:

Thanks for your letter telling us you received our signal during equipment test. Sorry to have been so long in answering your letter confirming the programs you received.

The station has now been on the air almost a month and our daytime signal is reaching out about a 100 miles each way and business is keeping us all busy. Yours for better broadcasting and listening.

Sincerely,

Don Hughes
