Dear Mr. Thomas,

Thanks for your report of the DX program on Nov. 1.
I appreciate your card, and since your report checks with mine
here, I therefore verify your reception of this station.

I am sorry that I got the dates mixed on the last
DX program but would like to tell you that I am giving another DX
for those who missed it, on Thursday morning, Nov. 26 from 4:00 to
5:00 A.M. EWT. I hope you can listen in and let me hear from you
again.

Sincerely

Perry L. Wilson
