Mr. David F. Thomas
Proctorville, Ohio

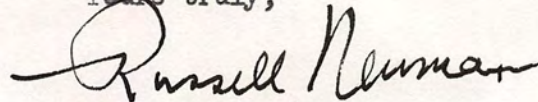

Dear Sir:

Thank you very much for the card reporting reception February 25th. On that day we were on the air from 2:05 to 4:57 PM. Comparing call-letter time our log shows 3:31 and 4:00 PM. I do not seem to be able to locate the letter you refer to.

WNXT has been on intermittantly since December 1950 with carrier only and voice announcements each thirty minutes. The purpose of this carrier transmission is to check field intensity and adjust directional pattern. It is expected that we will start programs in about thirty to sixty days.

Sorry there was no one at the transmitter when you were there. Perhaps you can visit us again soon.

Yours truly,

Russell Newman,
Chief Engr.
