Dear Listener:

This letter will verify the fact that you were receiving Radio Station KTOK on the morning of the 9th day of January the time being 3:46 AM to 4:00 AM CWT. Thanks a lot for your report. Not to our knowledge do WHBQ sign off when we have our frequency schedule. It happens to be the second tuesday in each month from 3:45 to 4:00 AM/

Thanks a million for the card. Sorry for the delay in answering.

Yours very truly,

  
Clifford M. Easum  
Chief Engineer
