Dear Mr. Thomas:

This is to verify your report of reception of KVLH between the hours of 2:00 and 2:30 AM CST Feb. 22, '48. I have a S-47 Hallicrafters here but have never tried to tune in XESM although I have heard from several sources that they cause us considerable trouble during ourtest periods. Thanks for your report and good DXing to you.

Sincerely yours,

H. Edward Walker  
Chief Engineer
