Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

This will confirm your reception of WKY. For your information WKY is 5,000 watts full time with directional antenna from local sunset to local sunrise. Our main antenna is 968 feet in height and also serves as support for WKY-TV antenna.

Sincerely,

A handwritten signature in blue ink that reads "Ray Scales". The signature is written in a cursive style and is positioned above the typed name and title.

Ray Scales
