Dear Mr. Thomas:-

This is to inform you that your confirmation on the audition of CFRA, 4.30 a.m. to 5.30 a.m., Monday, November 22nd, is correct in every detail.

It is unfortunate that a good many of the DX'ers received our programme under indifferent conditions, but perhaps, sometime in the future when CFRA again has the honour of producing a special programme to the DX clubs of the world, interference will be at a minimum.

Thanks a lot for hearing
from you.

Yours very truly,

Brian Hodgkinson,
Programme Director.
