STUDIO OF C.H.N.C., TORONTO, CANADA

Toronto, Nov 25/24

We acknowledge with thanks your communication concerning reception of our programme of

Nov. 22^d

and assure you that we and our artists appreciate hearing from you and hope that our efforts will continue to bring you pleasure.

We are not going to sell our 50-watt transmitter - you could buy one cheaper in USA from Western Electric Co.

Sincerely yours

Toronto Radio Research Society Inc.
