Dear Sir:-

Thank you for your reception report. CKFH is a new 24 hour a day station in Toronto. We leave the air Sunday at 2 AM to return at 8 AM Sunday. Our competition in the 24 hour feild have found it desirable to remain on the air full-time since we arrived.

The CKFH transmitter is located on Toronto island south of Toronto as our letterhead shows. We are directional NNW an unusual feature in a 250 watt station, but it gives us a good coverage of the city and little signal wasted on the lake.

Sincerely,

W. D. McGregor
