Mr. David F. Thomas  
Radio WUMS  
P. O. Box 11531  
Tampa, Florida

Dear Mr. Thomas:

Many thanks for your report concerning the DX broadcast of October 30. I am pleased to add this verification to the impressive list of verifications already received by you from us over the past 37 years.

So far your report is the only one received from Florida although we did receive reports from as far away as Colorado and to date some twenty have been received.

Once again, many thanks for your interest.

Yours truly,
