

The broadcast you heard at 2:00 AM EWT on Sept 30, 1944 was from

1190 KILOCYCLES

CLEAR CHANNEL

BLUE NETWORK

(CLASS 1 B)

5000 WATTS

**Unique wooden pole—vertical antenna—305 feet high
Concentric transmission lines**

THE VOICE OF THE OREGON COUNTRY

Thank you for your report Earl E. Peterson

H. E. S.
Chief Engineer

KEX-Portland, Oregon.

The "Concert Hour" Program you
heard was a local program
from records - not a net program -
IT is presented at this same time
each evening except Saturday.
Tnx 4 rpt. from Mrs. W. O. S. L. & Herb.
L. (Lunch)

David F. Thomas
Proctorville, Ohio
