Dear Mr. Thomas:

It seems that QRM, other strong stations' interference, and bad conditions in general made the DX reception of our January 13 special broadcast nearly nil. Many kind cards and letters of response however have reached us since the date of such effort and also that of our January 19 test program.

At this time it is a pleasure to announce a date of our next effort for DX listeners. On February 9 from 1:00 to 2:00 a.m. Pacific Standard Time, KRUL will dedicate the content of a full test hour to these listening friends.

In conclusion I list here names of the other DX clubmen in the States who have written with reference to the Broadcast we undertook.

W. J. Gabriel, Jr., 102 Stewart Road, Columbia, Missouri; Grant Batson, Westfield, New York; Clarence Lee Mustoe, P.O. Box 292, Coeur d' Alene, Idaho; Bruce Olson, 707 W. Kiernan, Spokane 12, Washington; and Eldon Addy, RFD #2, Marcus, Iowa.

Cordially yours,

J. C. Haley, Jr.
