Dear Dave:

I appreciate your letter of August 23rd, 1959 as we seldom get FM mobile reports on KUGN-FM.

I am sorry I didn't answer your letter sooner but it got covered up under some other mail and just came to the surface recently.

In spite of the fact that KUGN-fm only has an e. r. p. of 380 watts, the coverage is phenomenal. Also, thanks to you for the fine report on KUGN-AM. However, we get reports on KUGN-AM all the time as the coverage is terrific with 5000 watts on 590.

If you are ever out in this area again, we would appreciate having you stop in in person and say "Hi". So glad that we were able to serve you while on your visit in Western Oregon.

Yours very truly,

George L. Hathaway
