Mr. David F. Thomas  
Longwave Listening Post  
Radio WUMS  
Proctorville, Ohio.

Dear Mr. Thomas:

This is to confirm your reception of the Special Radio Program presented for the members of the National Radio Club by Radio Station WBAX, Wilkes-Barre, Pa., 1240 kcs' 250 watts on Monday morning, Jan. 25th, 1954, 3:30 to 4:30 AM EST.

The entire cast of the Bill Phillips Show, Bob Whitehead, Jack Cahalan and Bill himself was on hand and only too happy to do the show.

We certainly appreciated hearing from you and were surprised to find that you had a verification from WBAX dating back to 1932 signed by John H. Stenger Jr., who passed away on May 18th, 1953. The station is today being operated by his wife Anna Stenger. The station incidently operated on 1210 kcs' in 1932.
