WCED 5000 WATTS — 1420 ON THE DIAL

102.1 ON THE DIAL — 9500 WATTS **WCED-FM**

December 12 1956

Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

This will acknowledge your letter of recent date concerning your pickup of WCED on our early morning Hunters program. Thanks very much for your acknowledgement of same. We carried this program from 12 midnight until 7 am.

That was an interesting note on your pickup of WCED back in 1941. I remember Dave very well, but have lost track of him in recent years. We went on 5 kw days early this year, and operate 500 watts night, both directional, and also operate FM on 102.1.

Thanks for letting us know and we were glad to hear from you.

Sincerely,

J.S. Gray, Manager

JSG/K
